NEWS RELEASE

Luis A. Mignucci, MD named Spine Center Medical Director at The Medical Center of Plano

Plano, TX. --- Luis A. Mignucci, MD has been named Medical Director of the Spine Center services at The Medical Center of Plano. Dr. Mignucci is a graduate of the University of Puerto Rico School of Medicine, where he also completed an internship and residency in Neurosurgery. He completed a fellowship in Spine Surgery at the Cleveland Clinic Foundation, The Center for the Spine. Dr. Mignucci serves on the clinical faculty at the University of Texas Southwestern, Department of Neurological Surgery. He is board certified by the American Board of Spine Surgery and is a Diplomat, American Board of Neurological Surgery. Dr. Mignucci has been in private practice since 1990. “Dr. Mignucci’s commitment to a culture of excellence, caring and innovation that defines The Medical Center of Plano, make him the right person for this position,” said CEO Troy Villarreal.

As Medical Director, Dr. Mignucci will serve as the professional and administrative head of the hospital’s Spine Center services ensuring the quality, safety and appropriateness of patient care. He will direct and expand all future Spine Center research opportunities as well as assist in organizing and participating in the Spine Center medical education programs. Through the highest possible standards for professional care of patients, education, teaching and research, The Medical Center of Plano will become an internationally recognized leader in Spine Center services.

"The leadership and enthusiasm that CEO Troy Villarreal brings to The Medical Center of Plano and his focus on patient and family centered care insures the best healthcare for our communities, said Dr. Mignucci. I look forward to being a part of this process."

About The Medical Center of Plano

The Medical Center of Plano is a full-service, 427-bed acute-care facility with more than 1,500 employees and over 1000 physicians on staff, representing over 70 specialties and subspecialties. Accredited by The Joint Commission, The Medical Center of Plano continued its legacy of firsts in 2007 by becoming the first hospital in Collin County to achieve elite Magnet recognition from the American Nurses Association.
